

NOTICE

The City of Cumby has contracted with Noble Resources Termite and Pest Control of Leonard, Texas to begin a fogging program to help eradicate the mosquito population.

The mosquito fogging program will begin on Tuesday, May 8, 2018 and will continue fogging every two weeks for a total of eight applications with no fogging the week of July 4th. All fogging will begin after 9:00 p.m. on Tuesdays. The following is the scheduled dates for the fogging:

**May 8, 2018
May 22, 2018
June 5, 2018
June 19, 2018
July 10, 2018
July 24, 2018
August 14, 2018
August 28, 2018**

The chemical used in the fogging process has been approved by the Environmental Protection Agency (EPA) and does not propose unreasonable risk to the public or the environment.

However, if a person has asthma or other breathing difficulties, we suggest that they remain inside with windows closed during mosquito fogging to reduce the chance of adverse respiratory problems.

MOSQUITO PREVENTION TIPS

REMOVE SOURCES OF STANDING WATER, KEEP GRASS AND WEEDS CUT, BURN OR REMOVE BRUSH, DRAIN WATER AND FILL IN LOW PLACES WITH DIRT.

Contact the City of Cumby at (903) 994-2272 if you have any questions.
